

Summer 1 Year 2 Homework Menu

If parents / carers could please support your child in completing the homework over the half term. A new homework menu will be given out at the start of every half term along with your child's learning log. The Homework Menu will be posted on the website and on Seesaw.

For this half-term please select your homework activities from the grid below.

- The 'Must' jobs must be completed and will be checked weekly by your teacher.
- The 'Would be good' tasks are tasks that your teacher would like to see completed.
- The 'Would be great' tasks are an opportunity to present your learning in a creative way.

Must...	Spellings	Spellings will be tested every Friday and new spellings given.
	Reading	Read for at least 10 minutes daily and update your reading record-signed by an adult.
	Times tables	Practise your times tables on Times Tables Rock Stars at least 10 minutes per day.
Would be good if...	Maths	Practise you 2x, 5x and 10x tables. Write down the number sentences for this and the division facts. Use items at home to add equal groups. Measure items around the house and write down the measurement in cm.
	English	Start to write your own diary and record what you do each day. Make sure it is in chronological order and include your thoughts and feelings.
	Science	Plant your own seed at home and take care of it. This could be a sunflower, broad bean or any other type of flower/plant. Keep it somewhere warm and water it each day. You could keep a diary to show how it is growing.
Would be great if...	Art	Create a Great Fire of London house using junk modelling. Think carefully about the different materials that you could use and research what houses looked like in 1666.
	History	Find out as much information about the Great Fire of London. Research the famous Samuel Pepys. Record your research in your learning log in the style of a non-chronological report.
