

Application Guidance

Please read these Guidance Notes carefully before completing the application form. The application form is the first step in the recruitment process, which may lead to an interview and the possible offer of a job. It is therefore important that you complete the application form as fully as you can. We do not accept CV's and therefore the information that you supply on the application form is the only information that we consider when deciding whether you should be shortlisted.

General Information

- Please read the job description, person specification, advertisement and any other papers carefully, before filling in the form, and use this information to make your application relevant to the post.
- Please use **black ink** or type your application form – this helps when the applications are photocopied.
- **Do not send a CV with your application** – we believe that asking all applicants to complete an application form ensures fairness and consistency in our recruitment process.
- Do not submit the same application form for more than one job. Tailor each application to fulfil the requirements for a particular job. Please endeavour to keep your application form neat and tidy – the application form provides our first impression of you!
- The selection criteria used for shortlisting are the skills, abilities, knowledge and experience required to do a specific job. No assumptions will be made about these criteria. It is therefore vital that you tell us how you meet the selection criteria.
- Please return the application form by the closing date advertised.

- ✓ **Skills, Abilities, Knowledge & Experience** – This section is the most vital part of the form.
