Dear Parents / Carers,

Provision of food for children in receipt of Free School Meals (FSM).

We have been advised by Department for Education that provision needs to be in place for all pupils receiving **benefits-related free school meals** (FSM) during the closure of the school. We have decided as a school to opt for the food voucher scheme. However we await further guidance from the Government in order to put a food voucher scheme in place. Once we have this guidance, we will be in touch with you regarding how this will work and how you will receive this.

If you require any further information, please do not hesitate to contact us on:

Yours sincerely,
