

Jigsaw Home Learning

During a time of change and uncertainty, the wellbeing of children at Beech Hill School has continued to be of great importance. Using Seesaw and work within Bubbles, the children have had chance to explore their thoughts and feelings surrounding COVID-19 and their return to school through the recovery curriculum from our Jigsaw PSHE scheme. Here are some examples of the work produced from Reception through to Year 6.

What makes a good friend?

Collective Worship Jigsaw

Ismael Hussain A good friend is someone who you can trust. A good friend is someone who looks out for you and helps you when your sad, that also is happy for your achievements and always supports you in everything good you do. He or she also stops you from doing wrong things.

Does having more things make us happier?
