

Year 2 - Autumn 2 - A Walk In The Park

This is a Geography topic. We will be working as Geographers.

<u>Key Vocabulary</u>	<u>Definition</u>
Directions	The way that someone or something travels
Compass	A device that shows directions used for navigation
Landmarks	Something in a place that is well known and easily seen or recognised from a distance
Symbols	Pictures on a map that show different features

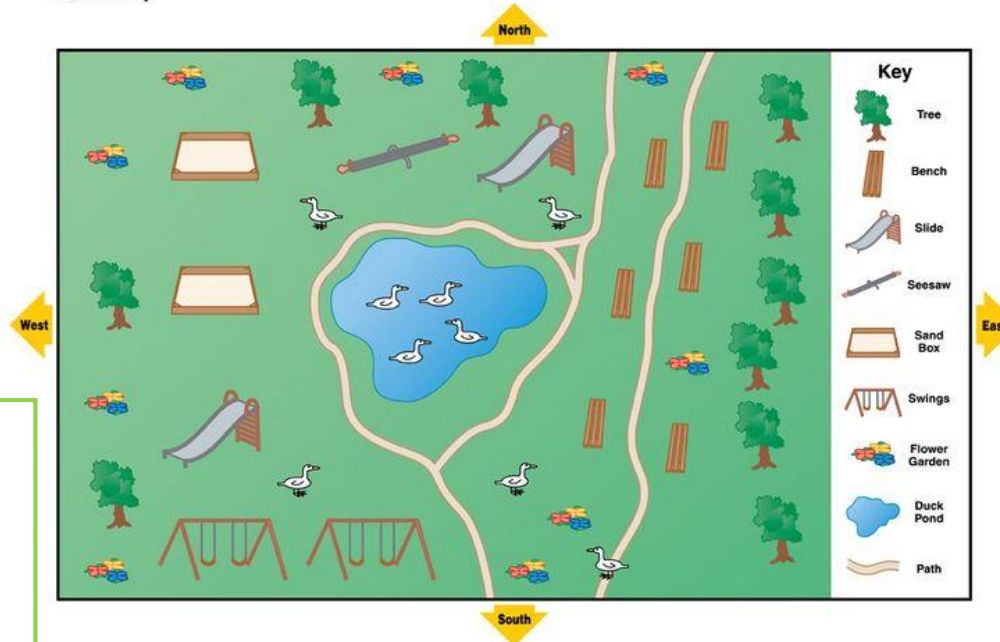

Aerial view of Shibden Park

Aerial view of Halifax

A map shows what there is in an area. It needs a title so that we know the place it is showing us. They have a key so that we can understand what each symbol means.

Park Map

This is a compass. The points are North, South, East and West

Must Knows

Year 2 - A Walk In The Park

- Halifax has lots of human features such as shops, restaurants, schools and houses.
- Halifax has lots of physical features such as rivers, hills and woods.
- North, South, East and West are the four points of a compass.
- We can use a compass to find our destination and follow directions.
- A map shows the physical and human features of an area.
- A map needs a title and a key which shows symbols.
- We can use a map to see where things are and to follow a route.
- Halifax town is different to a park because it has more human features.
