

Beech Hill School

"Learning Without Limits"

Hello everyone, I am Mrs Bowling and I am the Deputy Head for Inclusion and SENDCo at Beech Hill while Miss Walker is on maternity leave. If you have any concerns regarding your child's educational needs please speak to the class teacher in the first instance or make an appointment to speak to them with myself at the school office or message me directly on Seesaw.

SEND Newsletter Summer 2 2024

Sport and physical activity improve physical fitness as well as help your child to improve their confidence, be more social aware, and feel empowered.

Calderdale's Sports service offers a range of disability specific and adapted sport and leisure activities. These are suitable for most ages. Click on the link to find out more.

Attention deficit hyperactivity disorder (ADHD) is a life long condition that affects children's behaviour. Children with ADHD can seem restless, may have trouble concentrating and may act on impulse. The ADHD Foundation Neurodiversity Charity supports parents and carers so they can understand and meet the needs of their child. They provide a range information as well webinars, courses, resources, and a screening service. <https://www.adhdfoundation.org.uk/>

Speech and Language at Beech Hill

Check out our top tips for parents to help with your child learn everyday words and vocabulary.
