

October Half Term Family Challenge

It's time for another Family Challenge!. Gold, silver and bronze prizes are up for grabs so make sure you give it your all and bring in anything by Friday 8th November.

Pumpkin Carving

Purchase a pumpkin from a local supermarket or green grocers and carve a design into it. With help from an adult, put a candle in it and watch it light up! Upload photos to Seesaw for your teacher to see.

Diwali Cards

Diwali is over half term so why not create a card to send someone that you know and help them celebrate this Hindu festival.

Nature Wands

Go on a walk and look for signs of autumn. Choose some things carefully to make a nature wand.

Autumnal Cooking

As it is pumpkin season, spend time in the kitchen making some delicious food for your family that uses them! This could be a pumpkin pie or soup. Share your recipe with your teacher and class so that they can try it!
